Introduction

Why Membership Exists and Who It Is For?

Welcome to ROCK'NROLLA Standard Poodles.

Choosing a puppy is not just a purchase. It is the beginning of a relationship built on trust, honest communication, and the shared goal of finding the right dog for the right family. When possible, we also welcome an initial visit or meeting so we can get to know each other better before moving forward.

At ROCK'NROLLA, we are open with our future families. We provide information, photos, videos, updates, guidance, and personal support throughout the process. This takes time, care, experience, and commitment.
Because of this, we use a Kennel Membership system instead of treating the process as a simple puppy deposit.

Membership is for families who have already decided that their next Standard Poodle will come from ROCK'NROLLA and who are ready to begin working with us seriously.

Membership helps us know who is truly committed, allows us to give those families priority attention, and gives us the time to help match each puppy with the best possible home.

We do not simply place puppies by color, gender, or who asks first. We focus on health, temperament, structure, lifestyle, and the best long-term match for both the puppy and the family.

Our goal is not only to sell a puppy. Our goal is to create a successful future for every ROCK'NROLLA dog and every family who welcomes one into their home.

Benefits, Terms & Agreement

Step 1 — Puppy Application

The first step is to complete the Puppy Application on our website. This helps us learn about your family, lifestyle, experience with dogs, and what you are looking for in your future Standard Poodle.

Step 2 — Phone Introduction

After the application, we ask every serious family to schedule a phone conversation and when possible, schedule an initial visit or meeting so we can get to know each other better before moving forward. A real conversation helps both sides feel comfortable, ask questions, and decide if we are the right match to work together.

Step 3 — Kennel Membership

Once you have chosen ROCK'NROLLA as your breeder and know that your next dog will come from our kennel, we ask for a $500 Kennel Membership Payment. This officially begins the process of working with us as a future ROCK'NROLLA family.

What Membership Includes

Your ROCK'NROLLA Kennel Membership includes:

$500 discount toward your puppy or dog

Membership gives you a $500 discount from the full price of your future ROCK'NROLLA puppy or dog.

24/7 breeder support, consultation, and referrals

We remain available for questions, guidance, referrals, and support before and after your puppy comes home.

Priority communication and waiting list placement

Membership families receive priority updates about planned litters, confirmed pregnancies, puppies, and available dogs.

One complimentary grooming service per year

Membership includes one free grooming service per year when schedule, location, and availability allow.

Personal guidance throughout the process

We provide photos, videos, updates, breeder observations, temperament guidance, and support in choosing the right puppy.

Boarding discount from 20% to 50%

Membership families may receive discounted boarding, depending on availability, timing, and individual arrangements.

Additional Information

Important Puppy Matching Policy

Membership does not guarantee a specific puppy by color, gender, size, or timing. We always consider your preferences, but our final recommendation is based on the puppy's temperament, development, quality, and suitability for your family. Our responsibility is to protect both the puppy and the future owner by making the best possible match.

If the Right Puppy Is Not Available

If we do not have the right puppy for you in the current litter, we may offer you the option to wait for a future litter or another suitable ROCK'NROLLA dog.
We do not want anyone to feel pressured to take a puppy that is not the right fit.

Communication Expectations

We ask for respectful and honest communication throughout the process. We do our best to answer questions and provide updates, but please understand that we are also caring for our dogs, puppies, mothers, grooming clients, and daily kennel responsibilities.

Membership families receive more detailed and priority communication because they have officially started the process with us.

Privacy and Transparency

We are happy to provide information, photos, videos, updates, and guidance. At the same time, our home, family, and dogs are part of our private life. We share openly and honestly, while also maintaining reasonable privacy and safety boundaries.

Final Agreement

By submitting the $500 ROCK'NROLLA Kennel Membership Payment, you confirm that:

- ☐ You have completed or will complete our Puppy Application.
- ☐ You agree to introduce yourself by phone.
- ☐ You understand that Membership begins the process of working with our kennel.
- ☐ You understand that puppy matching depends on availability, temperament, timing, and suitability.
- ☐ You understand that Membership provides benefits, support, and a $500 discount toward your future ROCK'NROLLA puppy or dog.
- ☐ You understand that ROCK'NROLLA reserves the right to recommend the best puppy match for each family.
- ☐ You understand that our goal is to place every puppy in the best possible home.

When you become part of ROCK'NROLLA, you become part of our extended family.

Our puppies are not simply puppies for sale. They are the result of years of love, dedication, selective breeding, health-focused decisions, and commitment to excellence.
